

IFMATM Los Angeles Chapter

International Facility Management Association

The Los Angeles Chapter was founded in 1982 and has grown in membership to over 300 at last count, making it one of the largest nationally. Our chapter focus is on Facility Management education and networking between our professional members and associate members. Our Chapter schedules both educational and social events throughout the year with varying topics and venues. We also schedule special events at some of Los Angeles best known venues.
